SUBJECT

CIA Reserve Program (S)

CIA/DDO/CCS [redacted]

1. (S) Per your request, Captain James M. Martin visited the Air Reserve Personnel Center (ARPC), Denver, Colorado, on 3 December 1981. The purpose of this visit was twofold: first, to determine [redacted] agency employees in the USAF reserve from their reserve personnel records; [redacted]

[redacted] The latter has been addressed separately.

2. (S) The primary [redacted] are identified in the three attachments. The attachments were unclassified computer products from the reserve personnel files. They were stamped Secret because of annotations made which

[redacted] Attachments 1 and 3 were provided by the ARPC focal point. Attachment 2 is an Officer Effectiveness Report (OER) roster provided by CIA Military Personnel Branch (MPB). [redacted]

3. (S) Three general problem areas were identified: (a) USAF reserve performance reports being written [redacted] employees [redacted] personnel and vice versa; (b) both [redacted] employees being assigned to the same unit, using the same reserve [redacted] (c) and [redacted] Nothing in any of the attachments specifically indicates an individual [redacted] however, by comparing information in the reserve files, some sound assumptions can be made.
